SSIP 2.0 Cell, Government Polytechnic, Godhra

Under the SSIP 2.0 Awareness a seminar on “World Entrepreneurship day” program was organized by SSIP 2.0 Cell, Government Polytechnic Godhra on Monday, 21st August, 2023. This program was organized to sensitize students of the institute. Students of all the three departments Civil, Mechanical and Electrical and of all the 3 levels participated enthusiastically in the program.

Seminar started at 02:30 pm as per scheduled and followed by presentation by expert. Shri B.J. Sonani, Head of Mechanical Department welcomed the Expert Shri F. G. Tadha (Successful Entrepreneur/Proprietor) with gift.

Expert welcomed by Shri B.J. Sonani

➤ Event Overview:

The program brought together students of Civil, Electrical and Mechanical to enrich their mindset for entrepreneurial success. The central theme was to address the obstacles that often obstruct the path to cultivating an entrepreneurial attitude and to offer practical solutions to surmount these barriers.

➤ Expert Insights:

Understanding the Mindset Landscape:

Shri F.G.Tadha commenced the program by delving into the multifaceted nature of mindset and its pivotal role in entrepreneurship. Drawing from research and personal experiences, the expert explained the distinction between fixed and growth mindsets and their implications for success.

1. Conquering Fear of Failure:

The fear of failure emerged as a recurrent topic. Shri F.G.Tadha stressed that failure is an integral part of the entrepreneurial journey and can serve as a springboard for learning and growth. Strategies to manage and reframe fear were elucidated, encouraging participants to embrace risks.

2. Cultivating Psychological Resilience:

The expert emphasized the importance of building psychological resilience as a shield against setbacks. Techniques to develop emotional strength, cope with challenges, and bounce back from failures were shared, underscoring their relevance in the pursuit of an entrepreneurial attitude.

3. Embracing the Growth Mindset:

Shri F.G.Tadha highlighted the power of the growth mindset, where individuals perceive challenges as opportunities for development. The expert provided actionable steps to foster a growth mindset, such as embracing curiosity, seeking feedback, and embracing continuous learning.

4. Confidence Building and Self-Belief:

Self-confidence was explored as a crucial ingredient for entrepreneurial success. The expert offered strategies for enhancing self-belief, including setting achievable goals, acknowledging achievements, and reframing self-doubt into self-empowerment.

5. Leveraging Resources and Networks:

Shri F.G.Tadha underscored the significance of resource availability and network building in an entrepreneurial journey. Practical tips for accessing mentors, networking events, and funding sources were discussed as avenues to overcome resource constraints.

Students and staffs attending the seminar

➤ Program Impact:

- The "Cultivating Entrepreneurial Attitude: Hurdles and Solutions" program left an indelible impact on attendees:
- Participants gained a deeper understanding of the psychological underpinnings of an entrepreneurial attitude.
- Insights shared by the expert unveiled actionable strategies to overcome fear, build resilience, and foster a growth mindset.
- Attendees were equipped with practical tools to boost self-confidence, leading to increased willingness to embrace risk.
- The program highlighted the importance of mentorship, networks, and resource utilization in propelling entrepreneurial endeavors.

➤ Conclusion:

The "Cultivating Entrepreneurial Attitude: Hurdles and Solutions" program, led by Shri F.G.Tadha, proved to be a thought-provoking and transformative experience. The insights shared and solutions offered by the expert have undoubtedly empowered participants to embark on their entrepreneurial journeys with a renewed perspective and fortified mindset. As attendees apply these lessons to their ventures, the program's impact is poised to ripple through the entrepreneurial ecosystem, fostering innovation, growth, and resilience.
