

L. D. College of Engineering Information Technology Department Report

Awareness program for creating awareness of SSIP & Aarambh cell for newly admitted students

Department had arranged an Awareness program for creating awareness of SSIP & Aarambh cell for newly admitted students of semester I on 20/09/2022 from 1.00 pm to 3.00 pm. About 101 students were attended session. Session was started with the introduction of SSIP policy and Aarambh Cell. Student coordinators and SSIP grantees of the department were also invited to share their experiences. Juhi Mehta and Manav Jain have joined the session and shared their experiences. Importance of the innovations and SSIP policy were discussed. Guideline to apply for SSIP and other processes for utilizing the grant were demonstrated. Session was very fruitful for the students. Session was concluded with question-answers and query resolutions.
