

Government Science College Limkheda
SSIP Awareness Program September-2023

SSIP Unit

26/09/2023

In order to sensitize the college students about the Student Start up & Innovation Policy SSIP-2.0, a SSIP Awareness Program was organized at Government Science College, Limkheda on 25th , September 2023.

Assit. Professor Mayank L Damor, Institute SSIP Coordinator delivered a talk about the importance, benefit and usefulness of the Policy. Students were also made aware of the various topics like innovations , start up made by different students/persons around the state and nation. Brief description of step-by-step process from Mind to Market was given and the importance of patent/IPR was highlighted. The topic of awareness programme was on “Empowering Start-ups on India's Path to a 5 Trillion Dollar Economy”. It Included discussions on Rapid growth in the number of start-ups, Diverse sectors and innovations, Global recognition and investment, Start-ups as engines of employment, Skill enhancement and workforce development, Addressing local and global challenges, Technology-driven solutions, Ease of doing business reforms, Access to funding and tax incentives, AI, Machine Learning, and Data Analytics. From this event students learned that:

- Start-ups are the engines of innovation and economic growth.
- India's journey to a 5 trillion-dollar economy offers immense opportunities for start-ups.
- Embrace challenges as opportunities, focus on innovation, and persevere.

- Together, we can shape the future of India's economy and leave a lasting impact on the world.

The event was thoroughly supported by College Principal and all the college faculties. Total 33 students of College attended the awareness program were sensitized about “India's Path to a 5 Trillion Dollar Economy”. Students were asked to observe around their neighbourhood, identify an existing problem and an idea to solve the problem.

They were also informed about the various websites and upcoming events related to SSIP and innovation planned at various levels.
