

Shree Swaminarayan Institute of Technology, Bhat

15th Sept 2023 (Engineer's Day Report)

Every year 15th September is celebrated as the Engineer's day in India to give a tribute to the greatest Indian Engineer, Sir Mokshagundam Visvesvaraya who also received India's highest honor, the Bharat Ratna in 1955. He holds some remarkable engineering constructions in his name. He was the chief engineer of the Mysore state, Vrindavan Garden, Krishna Raja Sagara dam etc. He was also the chief designer of the food protection system for the city of Hyderabad.

In his honor, the Engineer's day was celebrated at Shree Swaminarayan Institute of Technology, Bhat this year with a great enthusiasm. The main events that attracted the dignitaries and audience the most were Project Model Demonstration, Poster presentation, Robo Race, Town Planning, Bridge Making, Instant Model Making, Ultimate Genius of SSIT, Bug Finding, Innovative Startup Exhibition and Challenge of making Project within 100 Rs/-.

Different departments of SSIT participated in the Model exhibition. Some of the major attractions of the Model exhibition & Poster Exhibition were Waste management, Robotics Car, Hydraulic JCB, Use Of Tesla Coil for Energy Generation, Hydraulic See-Saw, Computer Application and games. Institute Executive Director Sir and Principal Sir took keen interest in understanding the different concepts. More than 350 students and more than 40 volunteers and all faculties and staff members enthusiastically participated in different events and make this event successful.

Apart from the department level teams, spectators also participated and goodies were given to winners. All the programs were well organized and properly planned.
