

IDEATHON REPORT

Title: IDEATHON 2023 - A Resounding Success with 42 Registered Teams

Date: September 14, 2023

Introduction:

IDEATHON 2023, an innovation-driven event, held on September 14th, witnessed immense success with 42 enthusiastic teams registering for the competition. The event aimed to foster creativity and entrepreneurial spirit among students and was organized with great zeal.

Registration:

A total of 42 teams from various educational backgrounds registered for IDEATHON 2023, showcasing the growing interest in entrepreneurship and innovation among students. This overwhelming response set the stage for an exciting competition.

Shortlisting Process:

Following the registration, a rigorous screening process was conducted to select the most promising ideas. After careful evaluation, 30 teams were shortlisted to proceed

to the next phase of the competition. The shortlisting process was facilitated by dedicated faculty mentors who provided valuable insights and guidance.

Faculty Mentorship:

Faculty mentors played a pivotal role in shaping the IDEATHON 2023 experience. They conducted detailed reviews of the shortlisted teams' ideas, providing constructive feedback and mentorship to help participants refine their concepts and pitches. This mentorship phase greatly enriched the quality of the projects. 12 faculties from various departments stepped up and provided their valuable guidance 🙌 to our participant teams.

Faculties present for evolution:
