Team of KPGU with Founders of Gyanme Edutech Pvt Ltd & BetterGrade Pvt Ltd, being incubated at KPGU during Startup Conclave in association with Industry Commissionerate Startup Gujarat Cell

The Startups explaining the most unique and economical AI based Edtech solution to Shri Anurag Jain, IAS, Secretary, DPIIT, and Shree Krishna Sharma Gudipudi, Manager, Startup India, Invest India, Govt of India.

For early stage startups, it is the external stakeholders that they are presenting to, a bare-bones validation structure like proof of concept does not work. Startups need something more refined, more polished for it to be convincing. During workshop and discussion with eminent mentors, Startups learned to provide a demonstration of the core product functionality and design.
