Session 1: Atmnirbhar Bharat and Role of Youth

- Date: 26-08-2023
- Speaker: Dr. B. R. Sudani
- Audience: Commerce graduate and undergraduate students of Smt. C. D. Jhobalia ROFEL Arts and Smt. I.S.R. Achchhariwala ROFEL Commerce College Vapi

The first session of the Innovation and Entrepreneurship Outreach Programme took place on 26th August 2023. Dr. B. R. Sudani delivered an insightful talk on "Atmnirbhar Bharat" (Self-Reliant India) and the significant role that the youth can play in achieving this vision. The audience comprised enthusiastic commerce graduate and undergraduate students from Smt. C. D. Jhobalia ROFEL Arts and

Smt. I.S.R. Achchhariwala ROFEL Commerce College Vapi. Dr. Sudani emphasized the importance of innovation, self-reliance, and entrepreneurial mind-set in driving India towards self-sufficiency. The session served as an inspiring platform for the students to understand their potential contribution to the nation's growth.

Session 2: Artificial Intelligence as Career Opportunities for Entrepreneurs

- Date: 28-08-2023
- Speaker: Dr. R. C. Malan
- Organizer: Prof. Rahul V. Prajapati
- Venue: Primary School, Village Magod Dungri
- Coordinator: Shri Tejal Patel

The second session, held on 28th August 2023, unfolded at the Primary School in Village Magod Dungri. Dr. R. C. Malan led the session, delving into the realm of "Artificial Intelligence as Career Opportunities for Entrepreneurs." Prof. Rahul V. Prajapati orchestrated the event, while Shri Tejal Patel played a pivotal role in coordination from the school's end. The session was marked by illuminating discussions about the potential AI holds for entrepreneurial ventures. The students were exposed to the exciting prospects AI offers and were encouraged to explore innovative paths in the field.
