

## Engineers' Day Celebration Report

**Date:** 15/09/2023

**Location:** CC hall, BHGCET

**Event Coordinators:** Prof. Vijay Mehta, Prof. Jay Vekariya, Prof. Rushabh Doshi

### **Introduction:**

Engineers' Day is a special occasion that celebrates the contributions and achievements of engineers in various fields. It is a day to honor the invaluable work done by engineers to improve our daily lives. The Engineers' Day celebration at [Your Institution Name] was a grand event that aimed to not only commemorate this day but also to inspire and engage the engineering community.

### **Events (8:45 AM to 10:30 AM)**

#### **1. Technical Treasure Hunt**

The day started with an exciting Technical Treasure Hunt organized by Prof. Ravi Thakkar. Participants gathered at A - 007 & T. V. Mehta Plaza, where they embarked on a challenging quest that tested their problem-solving skills and technical knowledge.

#### **2. Blind Coding**

In the afternoon, the action shifted to the CISCO Lab on the second floor of A-Building, where Prof. Harsh Mehta conducted a Blind Coding competition. Participants were pushed to their coding limits in a thrilling coding competition.

#### **3. Logo Design and Technical Reel**

Simultaneously, in the CISCO Lab on the same floor, Prof. Forum Rangani supervised the Logo Design competition, while Prof. Rahul Parmar organized the Technical Reel competition on the ground floor of A-Building. These events showcased the artistic and technical talents of the engineering students.

#### **4. Hands-On Workshop on Robotics**

In the F Building machine lab, Prof. Rushabh Doshi led a hands-on workshop on Robotics, giving students a chance to gain practical knowledge and experience in this exciting field.

## **SSIP Awareness Session**

Prof. Vijay Mehta conducted an awareness session on the SSIP 2.0 (Student Start-up & Innovation Policy) in the Convention Center. This session aimed to inspire budding entrepreneurs among the engineering students.

## **Expert Talk with Mr. Ravi Karoria**

A highlight of the day was the expert talk by Mr. Ravi Karoria, which took place in the Convention Center. His insights and experiences provided valuable lessons to the aspiring engineers.

## **Deep Pragtya and Welcome Ceremony**

The Convention Center was the stage for Deep Pragtya, a beautiful traditional lamp-lighting ceremony. This was followed by a warm welcome to all guests and a token of appreciation.

## **Cultural Performances and Prize Distribution:**

The cultural segment of the celebration was equally captivating:

- Dance Solo performances by Divya and Maulik Gosai.
- A stunning group dance performance by the MCA Group and Engineers Life.
- An engaging drama performance by 3rd Diploma students.
- An Engineer's Day motivational video by Prof. Vijay Mehta.
- A thrilling face-off between Tiger and Maulik.
- A surprise performance that left the audience in awe.
- A mesmerizing drum performance by Hemang Dhamecha.
- Throughout the day, the winners of the Technical Treasure Hunt, Blind Coding, Logo Design, and Technical Reel competitions were announced and received their prizes.

## **Outcome:-**

The Engineers' Day celebration at [Your Institution Name] was a resounding success, bringing together students, faculty, and industry experts to celebrate the spirit of engineering. It was a day filled with learning, entertainment, and inspiration. We would like to extend our heartfelt thanks to all the organizers, participants, and guests for making this event a memorable one.

As we conclude this report, we look forward to future Engineers' Day celebrations that will continue to honor and celebrate the remarkable contributions of engineers to our society.
