**The Institution's Innovation Council (IIC) - Entrepreneurship Development Centre (EDC) Parul University organizes the Short Video Competition "NEP Ki Samaj"** with the aim of engaging participants in creative and thought-provoking discussions about the National Education Policy (NEP) and its impact on society. The competition provided a platform for individuals to showcase their insights, perspectives, and ideas through short videos, fostering a deeper understanding of the policy's implications for the society.

### **Competition Details:**

**Theme:** The competition revolved around the theme "NEP Ki Samaj," focusing on how the National Education Policy influences various aspects of society, including education, culture, economy, and social dynamics.

**Participants:** The competition was open to individuals of all age groups, backgrounds, and professions who were interested in sharing their views on the impact of NEP on society.

### **Event Highlights:**

The "NEP Ki Samaj" short video competition garnered significant attention and participation. Participants from diverse backgrounds contributed videos that showcased a wide range of perspectives on the National Education Policy and its impact on society.

Some notable highlights of the competition include:

1. **Variety of Approaches:** Participants adopted various creative approaches to discuss NEP's influence on society, such as exploring its effects on rural education, cultural preservation, vocational training, and social equity.
2. **Youth Engagement:** The competition witnessed active involvement from young participants, reflecting their keen interest in understanding and shaping education policies that affect their generation.
3. **Expert Insights:** Several videos featured expert opinions from educators, policymakers, and sociologists, providing a well-rounded analysis of NEP's societal implications.
4. **Online Engagement:** The videos were shared and discussed widely on social media platforms, encouraging healthy debates and discussions about NEP and its role in society.

## **Conclusion:**

The "NEP Ki Samaj" Short Video Competition succeeded in its goal of fostering awareness, understanding, and dialogue about the National Education Policy and its impact on society. Through the creative lens of participants, the competition shed light on various aspects of NEP's relationship with culture, economy, and social dynamics. The event served as a valuable platform for diverse voices to contribute to the ongoing conversation about education reform and its societal implications.

**The video of NEP competition are already uploaded in YouTube channel of incubation centre.**
