The program was organized by the Parul Institute of Law in association with Parul Innovation and Entrepreneurship Research Centre on “Panel discussion with Innovation and Start-up Ecosystem enablers, on 17th August, 2023 for the students of faculty of Law, Parul University.

Objective:

1. To inspire students for aware about the start up and its applicability.
2. Efforts from students for start-up movement and to start small business activities.
3. The purpose of this day is to brief concept of start-ups and its application amongst the students.

Outcomes:

1. Students were inspired by how we can move towards application of start-up.
2. Students were motivated and taught how to go for new and achievable start-up as different products and services.

Activity Details:

The panel discussion was held today in moot court hall on the subject of “ Panel discussion with innovation and start-up Eco system enablers”. We have invited two following speakers for panel discussion.

1. Mr. Shrijay Sheth , Founder , Lagal Wiz in Private Limited
2. Mr. Nikunj Gupta , CEO and Founder , Starlite Renewables

This event was attended by about 09 faculty members and faculty Dean Dr. Mahendra Parikh and in charge Dean Dr.Ketan Desai including 75 students.

The several questions were asked during the session which include the following points.

1. Concept and problems of start-up project.
2. Employment of manpower in the project.
3. Financial arrangements.
4. Product / services –its basic features.
5. Marketing Strategy

6. Taxation liabilities.
7. Productivity and quality of the products.
8. Productivity and quality of the product and services.

All above points have been deeply discussed by the speakers which have been appreciated by the faculties and students.

Benefits in terms of learning/Skill/Knowledge obtained:

- Gives the opportunity to view a problem from a different perspective
- Allows delving into a problem to determine its root cause.
- Encourages new start-ups by the students.
- Overall awareness about start-up of new small small activities on the different schemes of start-ups as introduced by the government.

Glimpses of activity
