On occasion of World Environment Day, IIC- Parul University organized a drawing competition with the theme "Solution to the Plastic Pollution" and Expert Talk was organized and supported by Entrepreneurship Development centre, Parul University, Stree Chetana Gujarat, and the Society of Power Engineers (I), Vadodara Chapter.

The competition was open to youth between the ages of 15 and 25 years.

The event received an overwhelming response with over 100 participants showcasing their artistic talents and expressing their ideas on finding solutions to plastic pollution through their drawings.

The competition aimed to raise awareness about the issue of plastic pollution and encourage creative thinking among the participants. It provided a platform for young individuals to contribute their perspectives on addressing this global environmental challenge.
