Lakhani Principal, Government Polytechnic Bhuj <b>SSIP Coordinator</b> Mr. M. S. Thacker	

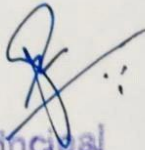

### Student Innovation Fest-2023 Report

GP Bhuj SSIP committee under the guidance and support of Dr. G. V. Lakhani sir - Principal GP BHUJ and Dr. S. H. Vora sir (in-charge principal) organized an EXPERT LECTURE ON "INNOVATION" IN ASSOCIATION WITH VIGYAN GURJARI for the 1st semester students' of GP Bhuj at Auditorium of GP Bhuj from 11 am to 12pm on 10th August 2023. The program was coordinated by Mr. E. U. Ghanchi, Metallurgy Department, GP Bhuj.

This expert lecture was delivered by distinguished Prof. K M Patel Sir, Asst. Professor, ELECTRICAL DEPT., GEC BHUJ.

Prof. K M Patel Sir delivered an interactive and informative lecture on innovation to 158 students of 1<sup>st</sup> semester, GP Bhuj. He made students aware about various topics like innovation for revenue, resolving society problems with excellent examples like fabricating stands for easy carrying of bags, using barrels as roller, spray painting etc. He briefed about benefits and monetary help under SSIP policy and also about process of innovation and brain storming techniques to find problems in daily routine and subsequent problem solving as innovation. Such sessions will definitely help students and society in developing sustainable innovative solutions to societal and environmental problems.
