#### Importance & Objective:

Biochemical plants, also known as biochemistry plants or biochemical manufacturing facilities, play a crucial role in various industries, particularly in biotechnology, pharmaceuticals, agriculture, and environmental science. The importance and objectives of biochem plants can be summarized as follows:

- Production of Biomolecules:
- Pharmaceuticals:
- Agriculture:
- Bioremediation:
- Enzyme Production:
- Research and Development:
- Economic Growth:
- Healthcare Advancements:

#### Activity & Content Details:

There was a session on “**An startup & innovation idea for Biochem plant**” by Mr. Chinmay Parmar on 04<sup>th</sup> August 2023 at Parul Institute of Technology, Around 87 students of Chemical Engineering students had attended the session. Mr. Chinmay Parmar had also given an introductory knowledge about company and given example of Startup ideas. After that he explained brief about summary outline of the workshop. The overall process steps ideas about opportunities in India for Startup and importance of this and benefits given with presentation and showed the ratio graph of startup. He had explained step wise in depth detailing for running a Startup Smoothly. Pisces Biochem Industries situated at Vadodara and are into B2B module.

- They used to do a Toll Manufacturing of Chemicals as well as Trading of Chemicals also, into Amines, Biocides, and Polymers Division.
- Basically, they used to Supply Raw materials to the End Users and taking finish product from them, So it's a Two-Way Business.

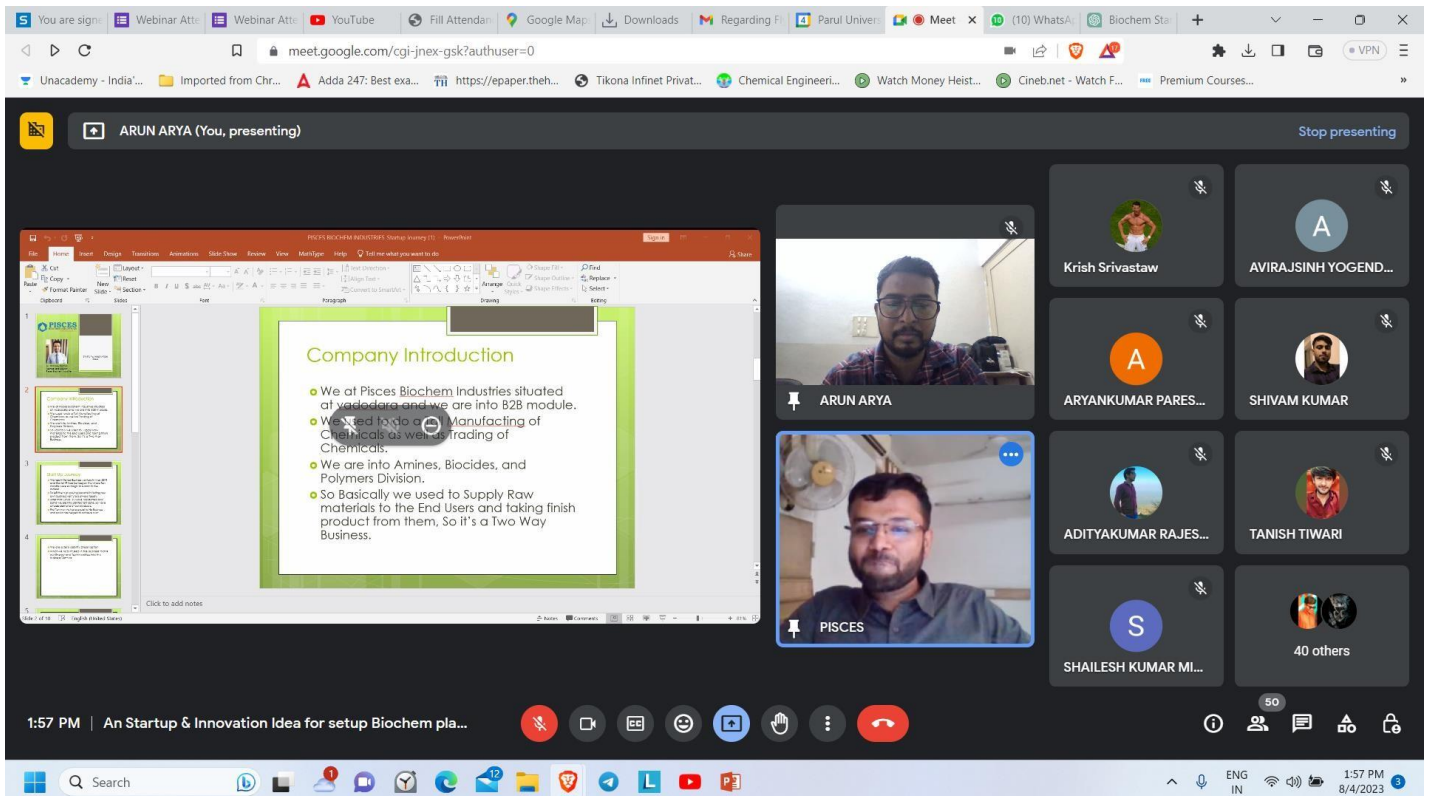

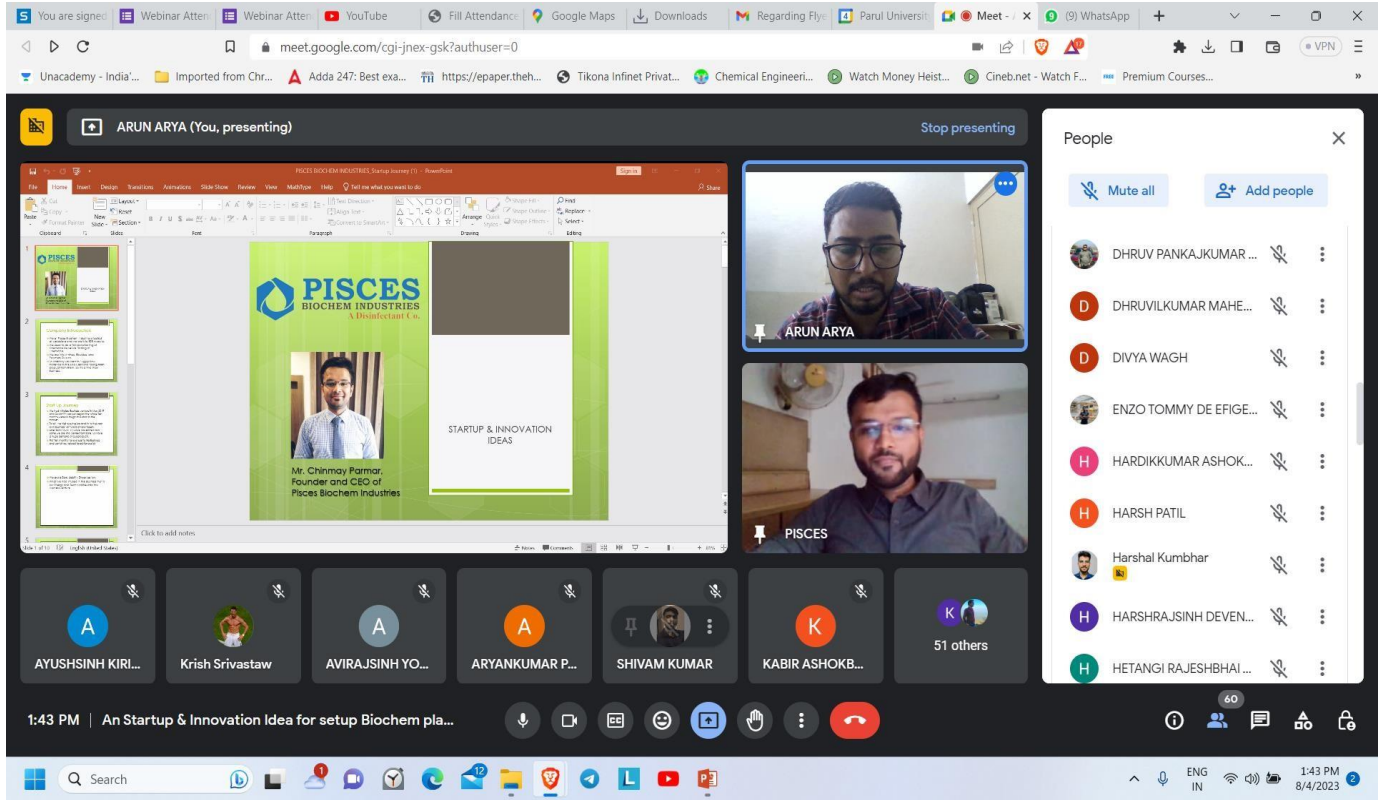

He had discussed many key points related to startup willingness:

- Love and Care your Business
- Unique Product
- Quality Product
- Timely Service
- USP: Unique Selling point
- Customized Solutions
- Repetitive Business
- Deal with People nicely, they are your most valuable assets.
- Refused to Give-Up and willingness to WIN

#### **Startup advantage**

- Building something of your own for you, for your future generation and for your Nation.
- Lavish Lifestyle
- Passive Income
- Having your own Network & Relationships
- Brand Value
- Government Support

**Glimpses of activity:**

The screenshot shows a Google Meet interface during a presentation. The main window displays a slide from a PowerPoint presentation. The slide features the logo for **PISCES BIOCHEM INDUSTRIES A Disinfectant Co.** and a profile card for **Chinmay Parmar**, who is associated with PISCES Biochem Industries. The slide also lists his qualifications: **People's Department - PISCES Biochem | Specialty Chemicals | Assistant Biochem. Polymer**, **Webinars | Lectures | Seminars**, and **2023 Invention | 100% acceptance**. Below this, it mentions **1000+ Clients | 400+ Suppliers and 50+ other related connections**. The Meet interface shows **ARUN ARYA** as the current presenter. Other participants visible in the grid include **Krish Srivastaw**, **AVIRAJ SINGH YOGEND...**, **HARSH PATIL**, **TEJAS SANJAY PATIL**, **ADITYAKUMAR RAJES...**, **Harshal Kumbhar**, **DIVYA WAGH**, and **37 others**. The bottom status bar indicates the time is **2:14 PM** and the meeting title is **An Startup & Innovation Idea for setup Biochem pla...**.

This screenshot shows the same Google Meet session from a different perspective, focusing on the participant grid and the 'People' sidebar. The grid contains 16 participant tiles, each with a profile picture and name. The participants are: **ANSH PANDEY**, **AKASH KUMAR MAURYA**, **AASHISH KUMAWAT**, **ARYANKUMAR PARESHBHAI PATEL**, **Krish Srivastaw**, **Hitanshu Patil**, **DHRUVITKUMAR JAYESHBHAI PA...**, **ADITYAKUMAR RAJESHKUMAR ...**, **ANIKET SOMNATH JADHAV**, **TEJAS SANJAY PATIL**, **CHIRAG DINESHBHAI PARMAR**, **NITIN VITHALBHAI SONAGARA**, **SHIVAM KUMAR**, **ENZO TOMMY DE EFIGENIA MIN...**, **Valand Harish**, and **ARUN ARYA** (who is the active speaker). The 'People' sidebar on the right shows **40** contributors in the meeting. The top of the sidebar has options for **All muted** and **Add people**, along with a search bar. The bottom status bar shows the time is **1:35 PM** and the meeting title is **An Startup & Innovation Idea for setup Biochem pla...**.

**Outcome:**

**After successful completion of the webinar:**

The outcome of setting up a biochemical plant is multifaceted and has far-reaching impacts on various sectors, the economy, the environment, and society as a whole. It represents a commitment to advancing science, technology, and industry for the betterment of humanity.
