

Event Report

Name of Event :

Motivation to Young Engineers

Objective :

1. Motivation for For Innovation & Startup
2. Awareness of SSIP 2.0

Key Speaker :

Dr. Kanishk Shah (KSKV - Kutch University)

Date : 20/07/2023

As guided by the Gujarat Technological University, Government Polytechnic Bhuj organized a series of sessions for orientation/induction programs of newly joined students of 1st year diploma engineering program. A motivational session was organized on 20/07/2023 by inviting Dr. Kanishk Shah, faculty of management & SSIP Co-ordinator at KSKV Kutch University. This session was held at the Auditorium of Government Polytechnic Bhuj.

The targeted audience were all first semester students of government polytechnic Bhuj. Dr. Kanishk Shah Explain the scopes available with students as a career opportunity in this VUCA World where VUCA stands for volatility, uncertainty, complexity, and ambiguity. He also shared a few case studies and motivated students to accept real life challenges and create innovation for sustainable development. At the end of session Mr. Mayur Thacker (Lecturer & SSIP Coordinator of Institute) also shared How SSIP can benefit the students for their innovation and startup with all necessary explanations. More than 150 students benefited from this session. Some glimpse of the events are attached here :
