Report on

Sensitization seminar on “Need of Innovation and SSIP 2.0 Policy”

Organized by the Innovation Cell, MIDFT

Under SSIP Mandate

19th Aug, 2023

Mansinhbhai Institute of Dairy & Food Technology, Mehsana organized Sensitization seminar on “Need of Innovation and SSIP 2.0 Policy” on 19th August, 2023 from 10:00-11:00 AM under the SSIP mandate for the students of the M.R.C. Sagar Sainik School, Mehsana. Over 54 school students participated in the sensitization seminar.

Dr. Sheweta Mudgil, SSIP Co-ordinator sensitized the students about the need for innovation and how one can innovate and generate new ideas by adopting the problem solving approach in real life. Dr. Ami Patel, SSIP Co-ordinator introduced to the students salient features of the SSIP 2.0 policy and how the school students can avail the benefits under the policy and work on real world problems. A small interactive session was also organized for the school students. The students were asked to tell any one problem they face in their day to day life and a possible solution to this problem was also enquired. Students actively participated in the seminar.
