

REPORT

“3D printing and Innovation Carnival”

14TH OCTOBER, 2023

INNOVATION DAY CELEBRATION

Supported by SSIP, Govt. of Gujarat and IIC, MoE

Organized by:

Student Startup and Innovation center

ANAND PHARMACY COLLEGE, ANAND

Reaccredited by NBA (B. Pharm) and NAAC (A+ grade)

(Managed by Shri Ramkrishna Seva Mandal)

Opp. Town Hall, Anand, 388 001, Gujarat, India.

Convenor:

Dr. Tejal Gandhi,
Principal & Professor,
Department of Pharmacology,
Anand Pharmacy College

SSIP Coordinators

Dr. Vaishali Thakkar
Professor,
Department of Pharmaceutics,
Anand Pharmacy College

Ms. Ruby Christian
Associate Professor,
Department of Pharmaceutics,
Anand Pharmacy College

Student Startup and Innovation Centre, Anand Pharmacy College (APC) celebrated the "INNOVATION DAY". Celebration consisted of workshop on 3D Printing: Basics, Applicability and Demonstration and Innovation Carnival.

The event was organized on 14/10/2023

The session was participated by 77 students of the 11th and 12th Science stream class. The session was conducted by Ms. Ruby Christian (Associate professor, APC) where she had given the basic understanding if what id 3D printing, its functioning, types and applicability. The session was further conducted by Ms. Saloni Dalwadi (Research Scholar, APC) where she had demonstrated the working of 3D printer by printing tablet in the live session. This session gave chance to students to see how actually 3D printer works. Students actively participated in the live session.

The simplicity of explanation really made participants thoroughly enjoy the session.

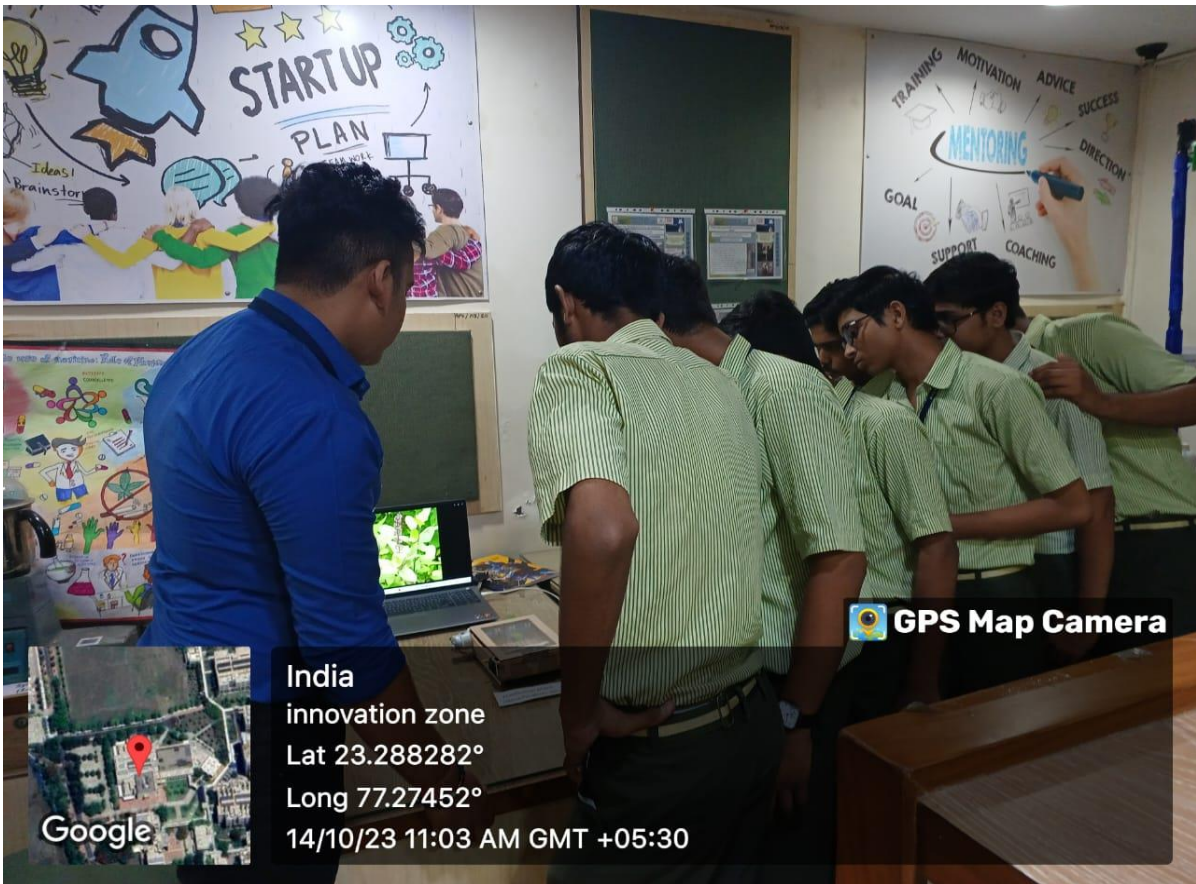

This was followed by "**Innovation Carnival**"

The students visited Fab Lab/Innovation zone. The zone showcased the innovation by the APC students. The visit was coordinated by IIC student members Ayush Rana, Jhanvi Gohil, Parth Darbar and Trisha Nayak.

Total 77 students participated in the Innovation Day Celebration.

Coordinators: Ms. Ruby Christian

Dr. Vaishali Thakkar
