Report of the Event

Today, on 30-09-2023 Saturday, there was a seminar organized by the SSIP Cell of this college to bring the awareness about SSIP 2.0 and Hackathon among the students of various colleges of Mandvi Taluka of Kachchh district. We invited the students of three colleges to take participation in this seminar – (1) S V Arts and Commerce College, Mandvi (2) Gokul Arts College, Mandvi and (3) Navneet Women's College of Arts, Bidada Mandvi. Our students were also part of the event along with the invited ones. Dr. P. K. Mehta, Principal In-Charge and Assistant Professor in Botany, Government Science College, Mandvi – Kachchh was the resource person for this seminar of SSIP 2.0 and he delivered his talk meticulously and made aware students about the research, invention, innovation and various activities of SSIP 2.0. Sir also talked about Hackathon and how to answer the queries and questions raised in various branches of Knowledge across all the disciplines. Dr. D. B. Kataliya, assistant professor and SSIP Coordinator organized the entire event. Dr. N. D. Patel, Shree A. H. Jalwani and Shree P. P. Zala – the faculty members of the college helped the coordinator to organize and make the event a special one for the betterment of student fraternity. As many as 48 students remained present in the entire program. It was really a successful event in the real sense of the term. Students also asked the faculties to organize such kinds of events in future to get informed about student-friendly initiatives of Government of Gujarat.
