Report

Expert Faculty: -

Dr. Heta Patel PT, PhD.
Assistant Professor,
ARIP.

Brief Details: -

The CHARUSAT Startup & Innovation Center Awareness Program aimed to inform MPT students about the resources, opportunities, and the significance of the Innovation Center. The Awareness session was started by Dr. Heta Patel where she explains that the CHARUSAT Startup & Innovation Center is a hub dedicated to nurturing the entrepreneurial spirit, fostering innovation, and catalyzing the growth of startups and small businesses among our physiotherapy students. The goal of CSIC is to provide the necessary infrastructure, mentorship, and support to transform innovative ideas into thriving businesses. Further she explains the objective of CSIC and how it can benefit the students.

Program Objectives:

- ✓ **Introduction to Entrepreneurship:** Educate students about the fundamentals of entrepreneurship, including the entrepreneurial mindset, risk-taking, and the potential rewards of starting a business.
- ✓ **Awareness of the Innovation Center:** Make students aware of the existence of the startup and innovation center, its mission, and the resources it offers to support student entrepreneurs.
- ✓ **Inspiration:** Inspire students by sharing success stories of student entrepreneurs who have launched successful startups while utilizing the center's resources.
- ✓ **Idea Generation:** Encourage students to brainstorm and develop innovative ideas for potential startups or projects that can benefit from the center's support.

- ✓ **Mentorship:** Highlight the availability of experienced mentors and advisors who can guide students through the startup process, from idea generation to business development.
- ✓ **Networking:** Promote the importance of building a network within the entrepreneurial community, connecting students with like-minded peers, potential co-founders, and investors.
- ✓ **Skill Development:** Offer workshops and training sessions on essential entrepreneurial skills, such as business planning, marketing, financial management, and pitch presentation.
- ✓ **Access to Resources:** Inform students about the practical resources available at the center, such as co-working spaces, access to technology, funding opportunities, and legal advice.
- ✓ **Support for Academic Integration:** Demonstrate how students can integrate their entrepreneurial endeavors with their academic studies, potentially earning academic credits for their projects.
- ✓ **Career Alternatives:** Showcase entrepreneurship as a viable career alternative, encouraging students to explore the option of starting their own businesses after graduation.
- ✓ **Incubation Opportunities:** Explain the possibility of joining an incubation or acceleration program offered by the center, which can provide funding, mentorship, and resources for startup development.
- ✓ **Cultivating an Entrepreneurial Mindset:** Encourage students to adopt an entrepreneurial mindset, emphasizing problem-solving, adaptability, and resilience as valuable skills for their future careers.
