

## GOVERNMENT ENGINEERING COLLEGE, BHUJ

### MINING ENGINEERING DEPARTMENT

#### Report on Entrepreneurship Scope for Mining Engineers

On the occasion of World Entrepreneurship Day, Mining Engineering Department of Government Engineering College, Bhuj have organized a seminar on **Entrepreneurship Scope for Mining Engineers** on 21/08/2023. Total 29 students have attended the program. The aim of this report is to highlight the significance of celebrating the entrepreneurship scope for mining engineers. It explores the role of mining engineers in entrepreneurial endeavors, the potential benefits, challenges, and the overall impact on the mining industry and economy. The celebration of entrepreneurship scope for mining engineers holds tremendous potential to drive innovation, economic growth, and sustainable development within the mining industry. By recognizing the value of entrepreneurial endeavors and implementing strategies to support mining engineers in their entrepreneurial journeys, stakeholders can contribute to the advancement of the mining sector and its positive impact on society.
