

Report of one day national level Hakathon BrainTech 2023

The one day one day national level Hakathon BrainTech 2023 is schedule on

Now I am summaries the activities carried out during day the event was started with grand inaugural function in presence of chief guest Prof.Dr.Niranjan Patel vice chancellor of SPU VV Nagar as well as principals and staff members with all participants.

Then pre lunch events was held namely Code Master at BCA Lab event students has applied their real brain and put the effort to derived specified output. Code master was successfully handle by Mr.Mitesh patel and Mr.Dharmesh Solanki another parallel event is logo making completion again students has given their ideas on system and prepare good designs. The event is managed by Ms.Monika Yadav with coordination of Aswhin sir ajay sir and divyaraj sir

After post lunch event there was a organization of IT quiz and Counter Strike computer games the events was repsectively handle by Dr.Lata Ved,Ms.Hemali patel. Really the day was superb and become true with our punchline **innovate your Ideas** all students participants has really put good effort through out the day.

As an event cooditator of this event I am congratulate all the participants and winners which will be announce very soon later in this program and best wishes to all participants in future if you find any help our institute will always be ready to serve you in best possible way.

Thanks.
