About Event

On December 21, 2023, an inspiring and innovative poster presentation competition unfolded under the theme "Start to Start-up." The event served as a dynamic platform for participants to showcase their entrepreneurial ideas, fostering a spirit of creativity and ambition.

The engaging posters not only highlighted the diverse range of start-up concepts but also reflected the participants' dedication to transforming ideas into viable business ventures.

Event Details

The "Start to Startup" poster presentation competition was a collaborative effort between the Entrepreneurship Club and Rikirate Club.

This joint initiative brought together a diverse range of ideas and perspectives, reflecting the essence of innovation and collaboration. A total of four teams participated in the event, each contributing a unique and promising start up concept to the competition.

The distinguished panel of judges comprised **Dr. Dhara Rathod** from the Department of Business Management (DBM) and **Dr. Paritosh Parmar** from the Department of Biotechnology and Bio Engineering (DBBE). Their expertise added a valuable dimension to the event, ensuring a thorough evaluation of the presented posters based on both entrepreneurial acumen and technical merit.

Top 3 winners were declared. All participants received certificates.
