Brief about Event

The SU Startup and Entrepreneurship Council, in collaboration with the IIC Saurashtra University, commemorating National Youth Day on 12th January 2024 on the occasion of National Youth Day in Saurashtra University “Yuva Conference "Developed India @ 2047: Role of Youth” Program was held. The program was started by the dignitaries present lighting the lamp and prayer. The guest was welcomed by the book and floral address.

Rajkot West MLA Dr. Darshita Shah speaking in this program said that India is a country of youth. All students studying in the university should work on Swami Vivekananda's life path and contribute to the work of the nation. Today our Honorable Prime Minister Narendra Modi is working for the youth. Then the youth of the country are wise, hardworking and should be patient. Youth should use their knowledge and energy for the welfare of the country. More than 65 percent of the world's youth are in India. Swami Vivekananda did the work of instilling strength and confidence in the youth.

After that, Pujya Nikhileshwarananda Swamiji, Chairman of Ramakrishna Math, Rajkot, guided the youth and said, "Narendranath Vishwanath Dutt," which means Swami Vivekananda, was knowledgeable in philosophy, history, literature, and other subjects. Swami Vivekananda had a deep interest in Vedas, Upanishads, and Puranas. He toured North India, South India, West India, Himalayas, and many other places, propagating Indian culture and religion. Swami Vivekananda mesmerized the entire world with his intelligence, ingenuity, and erudition. Youth should cultivate knowledge like Swami Vivekananda. Spiritual knowledge should be imparted along with education for the overall fast development of youth.

Youth should work for nation building through character building and world building through nation character building and world building through nation will be created. Pujya Nikhileshwaranandji further said that today's youth should assimilation Swami Vivekananda's life struggles, his inspiration and knowledge in their lives and develop a sense of world brotherhood. Swami Vivekananda ji advises the youth to be self-aware, to develop self-confidence, to have self-confidence, to develop a spirit of service and sacrifice, and to wake up and work hard till the end goal own in India Many great personalities like Vivekananda, thinkers, protectors of religion, scientists, writers and many great personalities have given birth to this country. Swamiji explained to the students.

Key Points

During the session, below mentioned points were discussed:

- Indian Youth Demographic
- Prime Minister's Initiatives
- Swami Vivekananda's Multi-dimensional Knowledge
- Nation Building Through Character
- Guidance for Today's Youth
