

## Report of the Activity

### Conference on Intellectual Property Rights: Preservation & Innovation

**Date:** 22/08/2023

**Venue:** Karnavati University Campus

**Time:** - 9:30 AM to 4:30 PM

**Number of Participants:** - 190

Unitedworld School of Law at Karnavati University along with Consortium of Women Entrepreneurs of India, IIC, KIIF and SSIP organized a conference on Intellectual Property Rights: Preservation & Innovation.

It was aimed to provide a platform for experts, scholars, and practitioners to discuss the critical role of intellectual property rights (IPR) in fostering innovation and preserving creativity in various industries. The conference witnessed a remarkable gathering of professionals and enthusiasts in the field of intellectual property.

Mr. John Cabeca, a prominent figure in the world of intellectual property, served as the Chief Guest for the conference. With a wealth of experience from his role as the Director of the Silicon Valley Regional Office of the USPTO, Mr. Cabeca has made significant contributions to the field of intellectual property. Ms. Shilpi Jha: Ms. Jha, an esteemed expert in intellectual property law, graced the event as the Guest of Honour. As a renowned attorney and advocate for IPR, she brought her vast knowledge and insights to the conference.

The event began with a warm welcome address by Prof. Dr. P Lakshmi, Dean, UWSL Karnavati University. She emphasized the significance of intellectual property in the modern world and its role in shaping innovation. Mr. Cabeca delivered an inspiring keynote speech, focusing on the global importance of IPR in fostering innovation and economic growth. He shared valuable insights on the initiatives and policies undertaken by the USPTO to support inventors and creators.

Ms. Jha's address highlighted the importance of intellectual property rights in protecting the rights of creators and innovators. She emphasized the need for robust legal frameworks to safeguard intellectual property in the digital age. The conference hosted a series of engaging panel discussions led by experts in the field. Topics included "IPR and Startups: Navigating Challenges and

Opportunities," "The Intersection of IPR and Technology," and "Global Perspectives on IPR Protection."

The "Intellectual Property Rights: Preservation & Innovation" conference concluded on a high note, leaving participants with a deeper understanding of the role of IPR in promoting innovation and creativity. It was indeed a platform that encouraged the exchange of ideas and knowledge among experts from diverse backgrounds. The conference aimed to contribute to the ongoing discourse on intellectual property and inspire future innovations in various industries.
