Objective:

- To introduce students to the fundamental concepts of entrepreneurship and innovation.
- To highlight career opportunities within these domains, with a focus on agricultural engineering, dairy, and food technology.
- To equip students with practical strategies and insights necessary to pursue careers in entrepreneurship.

Activity Details:

The Department of Agricultural Engineering organized a comprehensive workshop on "Entrepreneurship and Innovation as Career Opportunity" on October 13, 2023, from 12:00 PM to 4:00 PM. This workshop aimed to provide valuable insights and guidance to students in semesters 1, 3, and 5 regarding the exciting career prospects in entrepreneurship and innovation.

The workshop was thoughtfully organized into four distinct sessions, each with a unique focus:

1.Introduction to Entrepreneurship: The workshop commenced with an insightful overview of entrepreneurship and its critical role in today's world. Real-life success stories were shared to inspire and motivate participants.

2. Innovation in Agricultural Engineering, Dairy, and Food Technology: This session delved into the specific opportunities and challenges within the agricultural engineering, dairy, and food technology sectors. It highlighted the immense potential for innovation and entrepreneurship in these fields.

3. Case Studies and Interactive Session: Students actively engaged in discussions analyzing case studies of successful entrepreneurs within their respective fields. This session provided practical insights into the entrepreneurial journey.

4. Guidance and Q&A: The workshop concluded with an interactive Q&A session, allowing students to seek personalized advice and recommendations from the expert, Mr. Kaushal Barot.

Conclusion:

The "Entrepreneurship and Innovation as Career Opportunity" workshop left a profound impact on all participants. Mr. Kaushal Barot's expertise and practical insights provided an invaluable perspective on the vast potential for entrepreneurship in the agricultural and food technology sectors. Attendees expressed their appreciation for the enlightening experience, and the workshop concluded on a positive note.
