### ❖ **The objectives of the Event: -**

1. To enhance students' understanding of economic and industrial development through exposure to innovative practices, business opportunities, and sustainable growth models.
2. To Explore and understand the sustainable development practices implemented in Gujarat, emphasizing environmental conservation, renewable energy, and eco-friendly initiatives.
3. Encourage interactive sessions, panel discussions, and workshops that allow students to gain insights into the challenges and opportunities in the region, fostering a deeper understanding of the practical aspects of economic development.

### ❖ **Brief of the Visit: -**

To showcase Gujarat's distinctive accomplishments, strengths across sectors, and its preparedness to lead the visions of Aatmanirbhar Bharat and Viksit Bharat @ 2047. Various themes of the seminars are Food security, Advanced Technology, Start-ups & Innovation, Health care and Life Science, Sustainability to name a few. The theme of the vibrant Gujarat 2024 is the "Get Way to the Future". In these higher education and technical education pavilion are there. There were many conclaves like student startup, Gujarat common service conclave.

Vibrant Gujarat Global Summit, conceptualised in 2003 under the visionary leadership of Shri Narendra Modi, Hon'ble Prime Minister of India (the then Hon'ble Chief Minister of Gujarat), has today evolved as one of the most reputed global forums for business networking, knowledge sharing and strategic partnerships for inclusive growth and sustainable development. This "Tenth Edition" of Vibrant Gujarat will celebrate "20 Years of Vibrant Gujarat as the Summit of Success".

The panel discussion during the seminar brought together subject matter experts engaging in insightful discussions on crucial topics, including green hydrogen production, its value chain, economic opportunities, and emerging technologies for energy transition. In global trade show there various e-vehicals are there like tracker, mopad, car, bike etc. MG Hector, Maruti

Suzuki India Pvt. Ltd., tesco charge zone are companies were participated. In defence sector the tejas plane model were there.

The programme will showcase the evolution of Gujarat from the inception in 2003 as an event to attract investments in the state to working towards a global leadership in 2024. In addition, various seminars and events will be organized to showcase Gujarat's distinctive accomplishments, strengths across sectors, and its preparedness to lead the visions of Aatmanirbhar Bharat and Viksit Bharat @ 2047. Various themes of the seminars are Food security, Advanced Technology, Start-ups & Innovation, Health care and Life Science, Sustainability to name a few.

### ❖ Glimpses Of the Event:

❖ **Outcomes of the session: -**

1. For educators and professionals, the visit can contribute to professional development by providing insights into industry trends and practices.
2. Participants gain a deeper understanding of Gujarat's economic and industrial landscape, including key sectors, investment opportunities, and growth initiatives.
3. Seeing successful examples of economic development can inspire a sense of purpose and direction.
