Expert (Internal): Mrs. Bhawna Singh, Manager (Startup & Innovation), IAR

Brief biography of the expert:

Bhawna brings over 15 years of entrepreneurial and corporate experience with start-ups and Technology companies in India, and Israel.

Bhawna is an Engineer and has an MBA in Entrepreneurship and Strategy from Tel Aviv University, Israel and has been a Fellow at Israel Asia Center, Israel. Through her association with Tel Aviv University, Israel Asia Center, and various start-up groups, she has been actively engaged with all the stakeholders of the Israeli entrepreneurial ecosystem.

She has been the founder of 2 startup companies in Healthcare and worked with startup companies operating in Education, Real-estate, SME Sector, and Training sectors in different capacities. She is currently managing Startup Incubator at IAR.

Brief overview of the Event:

Students from **Shri D.N. Institute of P.G. Studies in Commerce, Anand** had visited IAR, and IAR Startup and Entrepreneurship cell (ISEC) under IIC activities, conducted a session on Innovation and Entrepreneurship Skills for the students.

Students were given a presentation on innovation and entrepreneurship practices at IAR and some of the innovative start-ups at IAR (4 start-ups from IAR Alumnus and 4 from start-ups currently being incubated) were introduced to them.

Outcome of the Event:

Almost 30 students from **Shri D.N. Institute of P.G. Studies in Commerce, Anand** participated in this community outreach program.

Students witnessed the Innovation and Entrepreneurship related practices at IAR, got motivated with showcased IAR startups and developed an understanding on Innovation and start-ups through different examples. They also got exposure on different funding avenues and became familiar with relevant terminologies used by Entrepreneurs.

.Feedback from Students: Students were highly motivated and inspired. They got their doubts cleared and liked the way session was conducted in an interactive manner.
