Activity Details:

On September 26, 2023, a Capacity Development Workshop for Women-Led Startups was successfully conducted at the Vadodara Startup Studio in association with DIC Vadodara. The event was graced by the presence of the honorable Chief Guest, Ms. Heena Patel, a prominent figure in the entrepreneurial world.

The workshop proved to be a powerful platform for women entrepreneurs and startup enthusiasts, as Ms. Heena Patel led a dynamic session covering a wide range of topics crucial for the growth and success of women-led startups. Her insights on business strategy, funding, and leadership left a profound impact on the attendees.

Following the informative session, an engaging fireside chat took place between Ms. Patel and women founders from various startups. This interactive segment allowed participants to discuss

challenges, share experiences, and seek guidance from a seasoned entrepreneur. It fostered a sense of community and mentorship among the attendees.

The event not only enriched the knowledge of women in the startup ecosystem but also inspired them to overcome obstacles and aspire for greater heights in their entrepreneurial journeys. It was a significant step in empowering and supporting women-led startups in Vadodara, fostering a brighter future for the local entrepreneurial ecosystem.

Benefits in terms of learning/Skill/Knowledge obtained:

- provide valuable insights and expertise, enhancing participants' knowledge in various aspects of entrepreneurship.
- Attendees have the chance to connect with like-minded individuals, potential collaborators, and mentors.
- Learning from real-world challenges and solutions equips participants with better problem-solving abilities.
- Such sessions can ignite a renewed sense of purpose and motivation, propelling participants to strive for success in their ventures.
