Type of Event	<ul style="list-style-type: none"> ○ Expert Talk ○ Sensitization Program ○ Workshop ○ Visit ○ Training ○ Impact Series Lecture ○ Other - _____
Venue	C. K. Pithawalla Institute of Pharmaceutical Science & Research, Surat
Resource person	Dr. Devendra J. Vaishnav Assistant Professor, CKPIPSR, Surat
Date of event	28-07-2023

Summary of Event:

- The "Prior Art Search" workshop conducted by Dr. Devendra Vaishnav at the C. K. Pithawalla Institute of Pharmaceutical Science and Research, Surat, proved to be a valuable learning experience for all participants. The workshop not only familiarized them with the importance of conducting thorough prior art searches but also equipped them with practical skills and strategies to effectively navigate the complex landscape of prior art in pharmaceutical research.
- By the end of the workshop, participants were empowered with the knowledge and tools to conduct comprehensive prior art searches, enabling them to contribute more effectively to innovative research and intellectual property protection in the pharmaceutical domain. The event served as a successful platform for enhancing participants' understanding and proficiency in the field of prior art search. B. Pharm 7th semester students participated in this session. There are a total of 23 attendees who will get practical experience with prior art search.
