Hackathon 2023 is an event that brings together Developers, Thinkers and Technology enthusiasts to develop innovative solutions to the challenges in society, industry and the environment. It's a fantastic opportunity for developing indigenous tech solutions that are innovative and can be turned into a functional prototype with the help of Institute/industry mentors.

About the event

As per the guidelines by Smart India Hackathon (SIH) 2023, which is organized by AICTE and Ministry of Education, Government of India, for participating in SIH 2023, every Institute has to conduct Internal Hackathon at Institute level and nominate teams for SIH 2023.

Teams for the Hackathon were registered by analyzing the solutions to the problems given by the various ministries of Government of India and various state governments. Six students per team of various departments of the institute were formed. 11 teams participated in this round and represented their ideas.

Judging Process
