A REPORT on "Outreach/Sensitization Workshop"  
By General Department

SSIP

Outreach/Sensitization workshop under SSIP was arranged on 08/01/2024 during 10:30am to 12:00 noon at V. C. Technical High School, Morbi by General Department Faculty J. K. Jogi. More than 200 Students were present in this program. Initially students were briefly informed about SSIP and the way it works, after that a power point presentation was shown and discussed the basic concepts of innovations for better understanding of the same. At the end a session of question-answers was held to solve students' queries regarding SSIP.
