

The Vibrant Gujarat Conclave 2023

The Vibrant Gujarat Global Summit (VGGGS) is held on December 7th to 9th, 2023, at Gandhinagar, Gujarat, India.

The Startup Conclave 2023 will bring together an influential network of startup investors, angel networks, industry leaders, and Global Accelerators for a captivating exchange of ideas and limitless possibilities.

Our two students also participate -:

1- Mr Siddhant Rao -company name is XLR8 Aero Space Mission - To build end-to-end drone electronics solutions we at XLR8 Aerospace aspire to build hardware complemented by software for providing full-stack solutions for Indian drone-tech companies and accelerate the industry.

Our first product is Power Pilot which is a centralized power delivery system with power analytics which aims to provide drone-tech companies with valuable propulsion system data for drone maintenance as well as battery maintenance.

2- Mr Swayam Raval- Company name is Admyre.club they are an Enterprise B2B SaaS for Influencer marketing, enabling end to end solutions for influencer discovery, workflow automation, campaign tracking/management & social listening via our proprietary MarTech and real time data algorithms.

Chief Minister of Gujarat Shri Bhupendra bhai Patel & Union Minister of State for IT & Entrepreneurship Shri Rajeev Chandrasekhar visited Nirma stall, interacted with students & gave suggestion to participants for their growth.
