We very much thankful to Trustee as well as Director of OM Engineering College Dr. H. V. Paghdar sir for organizing such type of seminar.

We are indeed thankful to students for taking the interest and attend this seminar.

We are thankful to Prof. A. G. Makati, Dean of Om Education Campus who have remained present during the seminar. We are also thanking to also attendees faculties from om education campus.

Introduction:

Om SSIP Center had arranged seminar on Various Incentive Schemes for Industrial Start Up dated 14th February 2023. Approximately 80 students from Degree, Diploma as well as B. Sc students were attending the seminar.

Seminar was started at 10:30 AM with introductory speech by Prof. Y. P. Gadhavi and followed by expert Mr. Chetan R. Jaiswal who is an industry officer and manager at Government of Gujarat.

Some of the topics discussed during Seminar:

- The District Industries Center (DIC) Programme was started in 1978 with an object of providing all the services and support to village and small scale enterprises under a single roof for the effective development of small scale industry in the widely dispersed rural areas and small towns of the country.
- A start up or start-up is an entrepreneur to seek, a company develop, and or project validate a undertaken by scalable economic model.

- While entrepreneurship refers to all new businesses, including self-employment and businesses that never intend to become registered, start-ups refer to new businesses that intend to grow large beyond the solo founder. At the beginning, start-ups face high uncertainty and have high rates of failure, but a minority of them do go on to be successful and influential. Some start-ups become unicorns; that is privately held start-up companies valued at over US\$1 billion.

Various Incentive Schemes Discussed :

- Capital Subsidy Yojana
- Vyaj Sahay Yajana
- MSME net GST Sahay Yojana
- EPF Scheme
- Quality Improvement Scheme Sahay
- ZED Certificate Sahay Yojana
- Technology Acquisition Sahay
- ICT Purchase Sahay Yojana
- Energy and Water saving scheme
- Patent Registration Sahay Yojana
- SME Exchange Sahay Yojana
- CGTMSE Free Back Yojaya
- Power Connection Charges Sahay Yojana
- MSME rent Sahay Yojana
- Market Development Yojana

I am heartily thankful to all students and faculties who had coordinated this seminar directly or indirectly.
