

REPORT

Name of the Programme	“Leadership in Startups Frontiers of Innovation”
Date	2 nd February, 2024 2:00 PM to 4:30 PM
Venue	Vishwakarma Hall, Civil Dept.
Organized by	SSIP, L.D. College of Engineering YellowSide: The Entrepreneurship Club of LDCE
Faculty conveners	Dr. Manish Thakkar Dr. C.H. Vithalani
Objectives of the Program	<p>To inspire and equip participants with the knowledge, skills, and mindset to lead successful startups in innovative and challenging environments, drawing inspiration from the experiences of a decorated military leader and the unique context of Ladakh.</p> <ul style="list-style-type: none">• Gain Insight and Inspiration: Understand the Major General's journey for valuable lessons applicable to leadership and entrepreneurship.• Learn Practical Leadership: Acquire effective strategies for adaptability, resilience, and strategic decision-making in both military and startup contexts.• Embrace Change for Growth: Shift mindset to see change as opportunities for innovation, drawing from experiences in dynamic environments like Ladakh.• Network and Collaborate: Connect with peers and professionals to exchange ideas and foster partnerships for future success in leadership, innovation, and entrepreneurship.
Outcome of Program	The program successfully achieved its objectives of inspiring, educating, and connecting participants. Attendees left the session motivated and empowered with newfound knowledge and insights into leadership, entrepreneurship, and personal development. Many expressed enthusiasm for implementing the strategies discussed and building upon the relationships formed during the session to further their professional goals.
Summary	The meeting with Major General Arvind Kapoor was a transformative experience for participants, providing a wealth of inspiration, knowledge, and networking opportunities. Major General Kapoor's insights into leadership, entrepreneurship, and personal development resonated with attendees, leaving a lasting impact. The program effectively instilled a sense of motivation and empowerment while fostering a supportive community of like-minded individuals committed to success.

Feedback	The seminar led by Major General Arvind Kapoor Sir was truly inspiring and empowering. His journey and insights into leadership and entrepreneurship, especially in challenging environments like Ladakh, have reshaped our approach to embracing change for growth. Overall, a highly beneficial session for enhancing leadership skills and an entrepreneurial mindset
Future action based on Programme	The college can facilitate workshops and seminars on leadership, innovation, and entrepreneurship, providing students with practical skills and networking opportunities. Students should actively participate in these events, engage in hands-on projects, seek mentorship from faculty or industry professionals, join relevant clubs or organizations, and continuously update their skills through internships or online courses.
Targeted Audience	The targeted audience comprises aspiring entrepreneurs, business students, and professionals from L.D. College of Engineering who are interested in leadership and innovation, especially in challenging environments like Ladakh.
