
Cyber Unveil

Organized by:

Cyber Security Club, ADIT

On:

2/29/2024

Speakers:

Saket Pandey, CTO (CyberMatrix Group of Companies)

Faculty Coordinator(s):

Prof. Krunal Patel

ABOUT THE EVENT

OBJECTIVE OF THE WEBINAR:

Brief information about the event

At the recent cybersecurity event organized by A D Patel Institute of Technology, students delved into the fundamental principles of cybersecurity under the guidance of renowned expert Saket Pandey, CTO of CyberMatrixicks. The event covered essential topics including cybersecurity domains, malware types, spyware practical, OSINT (Open-Source Intelligence), and insights into penetration testing and ethical hacking. Through engaging sessions and hands-on activities, participants gained practical knowledge, particularly in ethical hacking and penetration testing, empowering them to navigate the complexities of modern cybersecurity effectively.

Target Audience

All UG/PG Students

Expected outcome

Student understand Cyber Awareness and Cyber Threats.

Schedule

2/29/2024 To 2/29/2024

Location

Computer Engineering Labs

ABOUT THE SPEAKER

2

Name of the Speaker	Saket Pandey
Specialization/Expertise	OSINT, Digital Forensics
Designation	Chief Technology Officer
Company / Institute	CyberMatrixcs Group of Companies
Address (City & Country)	Surat, Gujarat
Email-id	saket.pandey@cybermatrixcs.com
Phone No.	+91 93745 56872

Brief points discussed during the webinar:

- **Covered cybersecurity fundamentals, online safety, malware types, digital forensics, and penetration testing:**
 - Participants learned about essential cybersecurity concepts, practical online safety tips, malware identification, digital forensics methods, and penetration testing techniques.
- **Included an OSINT case study report and spyware demo:**
 - Attendees explored a real criminal case study using open-source intelligence and witnessed a spyware demonstration to understand its potential risks.
- **Demonstrated de-authentication and probe attacks:**
 - Practical demonstrations showcased how attackers disrupt wireless networks, highlighting the importance of robust security measures.
- **Key takeaways: practical insights, understanding of cyber threats, and ethical considerations:**
 - Participants gained practical insights, understood cyber threats better, and discussed ethical responsibilities in cybersecurity practices.

Details of the Participants

Total No of participants registered: 50.

Total No of participants present: 43.

No. of Participants from ADIT: 39.

No. of Participants from other Institutes: 4.

Details of the Faculty Coordinators

Faculty Coordinator 1	
Name	Prof. Krunal Patel
Department	Information Technology
Designation	Professor

Details of the Student Coordinators

	Student Coordinator 1	Student coordinator 2
Name	Harsh Mistry	Rishiraj Parmar
Department	Information Technology	Information Technology

CHECKLIST FOR ENCLOSURES:

6

- Copy of approval (if applicable)
- Copy of invitation letter on institute letterhead (duly signed) sent to each speaker.
- Acknowledgement letter email sent to each speaker.
- Copy of thanks letter on institute letterhead (duly signed) sent to each speaker.
- Poster / banner copy
- Copy of Attendance sheet of the participants for all sessions.
- Photographs of event (Max. 5)
- Copy of signed certificate (only one as sample) given to the participants
- soft copy (single pdf including scanned copies of all attachments) of report to ssip@adit.ac.in
- Images of the event mailed (along with report) in high resolution to ssip@adit.ac.in
