Mr. Umesh D. Mavdia

Surveyor,

District Inspector of Land Records -Porbandar (Gujarat)

- ✓ SSIP Cell of Government Polytechnic Porbandar in collaboration with District Inspector of Land Records-Porbandar has organized an offline one-day workshop on “Surveying Using Differential GPS” for the 3rd semester students of civil engineering students.
- ✓ Only interested and registered students had participated in the events.
- ✓ Mr. Umesh D. Mavdia from District Inspector of Land Records-Porbandar has delivered the expert session and also arranged the hands-on field session for the students.
- ✓ Session was very informative and students had learned a lot of things from the expert.

Some Glimpses of the event.
