## Noble University–Startup and Innovation Activities

### Noble Entrepreneurship Cell (NEC)

Welcome to the Noble Entrepreneurship Cell (NEC), the driving force behind innovation and entrepreneurship at Noble University Campus in Junagadh. Empowered by the Student Startup and Innovation Policy (SSIP 2.0) grant from the Government of Gujarat, we are dedicated to fostering creative ideas and supporting startups. Our ecosystem thrives on providing students and the community with essential resources, including co-working spaces, basic lab facilities, and expert mentoring, all within our state-of-the-art incubation center. In collaboration with the Ministry of Education's Innovation Cell, we have established the Institution's Innovation Council (IIC), extending our reach to colleges across the university to nurture a culture of innovation and entrepreneurship. Join us on this journey of discovery, growth, and impact.

## Event Overview

On April 5<sup>th</sup>, 2024, the Noble Entrepreneurship Cell, Noble University organized an expert talk on "Innovation and Startup." The event aimed to inspire and educate attendees on the significance of innovation in the context of entrepreneurship and startup ventures.

## About Guest Speaker

Mr. Parth Sejpal, CEO of SUSEC, Saurashtra University, Rajkot, graced the event as the guest speaker. With his expertise in the field of innovation and startup management, Mr. Sejpal provided valuable insights and guidance to the audience.

## Audience

The audience comprised esteemed individuals including Mr. Parth Dhulesia, Associate Vice President; Dr. H. N. Kher, Provost; Mr. C. D. Sankhavera, Vice Provost; all Principals and activity coordinators of Noble University.

## Key Points

During the expert talk, Mr. Parth Sejpal highlighted several crucial aspects related to innovation and startup initiatives. The key points discussed included:

- **Understanding Innovation:** The speaker elucidated the concept of innovation, emphasizing its importance in driving progress and competitiveness in today's dynamic business landscape.
- **Innovative Ideas:** Mr. Sejpal elaborated on the process of generating and nurturing innovative ideas, stressing the need for creativity and out-of-the-box thinking.
- **Problem-Solving Approach:** The talk delved into the significance of finding effective solutions to existing challenges through innovation, underscoring the role of startups in addressing societal problems.
- **SSIP and IIC Activities:** The speaker shed light on the initiatives undertaken by SSIP (Student Startup and Innovation Policy) and IIC (Institution's Innovation Council) to foster a culture of innovation and entrepreneurship among students and faculty members. These activities aimed to contribute towards building a better India by nurturing innovative ventures and promoting entrepreneurial spirit.

## Outcomes

The expert talk on "Innovation and Startup" provided a platform for meaningful discussions and insights into the realm of entrepreneurship and innovation. The event served as a catalyst for inspiring future entrepreneurs and fostering a conducive ecosystem for startup ventures within the university community.

Overall, the session was highly informative and engaging, leaving the attendees with a deeper understanding of the significance of innovation in driving economic growth and societal progress.
