- 1) Title of Event: National Workshop on Research, Innovation & Entrepreneurship in Technical Education: NEP 2020 and Exhibition
- 2) Type of Event: Exhibition
- 3) Date: 10 February 2024 to 11 February 2024  
Time: 10.00 AM to 6.00 PM  
Venue of the Event: Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat, Gujarat

#### 4) Description of the Event:

National Workshop on Research, Innovation and Entrepreneurship in Technical Education: NEP 2020 and Exhibition was held from 10 February 2024 to 11 February 2024 at Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat. On Technical Education. It was to promote discussions on research, innovation and entrepreneurship in the field. Veer Narmad South Gujarat University (VNSGU) participated in the exhibition and set up a stall to showcase its initiative and contribution towards the objectives of the event.

The VNSGU stall was strategically placed to attract maximum footfall and engagement. It was decorated with banners highlighting the university's commitment to promoting research, innovation and entrepreneurship. This

section showcases ongoing research projects in various departments and highlights collaborations with industries and research institutes. Visitors had the opportunity to interact with faculty members and researchers to learn more about their work.

The stall showcased innovative projects and prototypes developed by students and faculty members of Veer Narmad South Gujarat University (VNSGU). These innovations range from technological solutions to societal challenges to advances in various fields of study. VNSGU Incubation Center highlights efforts to promote entrepreneurship. Information about startup incubation programs, funding opportunities and success stories of VNSGU alumni entrepreneurs were displayed to inspire budding researchers. Live demonstrations of innovative projects and prototypes enthralled the audience and gave them a feel for the progress taking place at VNSGU.
