23-01-2024

11.00 am onwards

GOVERNMENT ENGINEERING COLLEGE, VALSAD

Details of the program

- **Introduction:**
  The National Youth Day was celebrated at GEC Valsad in coordination with Shardamath Valsad and Govt. Poly. Valsad. The spread of inspiring thoughts and innovative thoughts of Shri Swami Vikananda was the main objective of the celebration.

  Details of the Programme
  The event started with a welcome to saints from shardamath and other guests and inaugral speech by in-charge principal GEC VALSAD, Prof V D Dhiman sir and In-charge principal govt Polytechnic Shri Amit Dhaneshwar sir.
  The event began with Vaidic chanting followed by Satva. All the speakers pointed out brilliantly the outcomes or lessons learnt from Swami Vivekanand jivan charitra and especially innovation to Atmanirbharta. Many innovative videos were shown and discussion was made the basis of that. Varlekar Nayan, a student of Electrical pointed out the lessons learnt from Swami Vivekananda ji for atmanurbharta to innovation. Memory loss, exam fear, how these things can be tackled by students were explained. The program ended with swadeshi mantra followed by National Anthem. The event was anchored and the speech was written accordingly by Dr K L Mokariya.
  Dr. Mokariya sir also emphasized taking up one idea making that one idea your life, dreaming of it, think of it. live on that idea, and let the brain, body, muscles, nerves, and every part of your body, be full of that idea and just leave every other idea alone. This is the way to success and this is the way great spiritual giants are produced
  Like this many thoughts and outcomes were discussed

- **Refreshments for the students**
  The programmes followed by a refreshment cum lunch provided by saints of Shri Shardamath Valsad.
