SSIP

Report on guest lecture for sensitization under SSIP 2.0

A guest lecture on "Entrepreneurship Opportunities through PM Surya Ghar Yojana" was organized on 23/02/2024 12:00 pm onwards at EC Seminar Hall, Government Engineering College Bhuj. The speaker for the same was Er R V Dholu, Junior Engineer, PGVCL.

A total of 103 students registered for the same via invite link <https://forms.gle/UnVvGednb7D9vFgy8>. A total of 110 students from all branch, various faculty and departmental SSIP coordinators were present for the lecture.

The lecture successfully sensitized students towards choosing entrepreneurship as a career option. The solar roof top scheme i.e., PM Surya Ghar Yojana is one of the entrepreneurship opportunity which students can take up as a career.

The students clearly related SSIP as a helping hand for carrying out innovative projects along with curriculum and later can convert it to their profession. The lecture was organized and executed by Prof G V Bhatt and Prof K S Ramanandi with a Q&A session for explaining current SSIP 2.0 scheme for which students can apply. The lecture was concluded with a vote of Thanks.

Several pictures related to this lecture are as under.
