

SSIP CELL

Shri R. R. Lalan College, Bhuj

Report on

‘Project proposal presentation’

Dt: 20/02/2024

The Student Startup and Innovation Policy (SSIP) launched by the Government of Gujarat has been successful in promoting entrepreneurship and innovation among students. Under the head of SSIP 2.0, the SSIP cell at Shri R.R. Lalan College - Bhuj has held sensitization programmes and invited project proposals. The event received a positive response, and the institute received five proposals under the SSIP 2.0. As part of the SSIP policy, submitted plans must go through an internal scrutiny committee, where they are critically evaluated. As part of it, the students were requested to deliver their innovation/startup idea in the form of a presentation to the scrutiny committee. All the proposal were critically assessed by the committee and the necessary changes/improvement were suggested.
