**Date:** 28/03/2024

**Time:** 10:00 AM TO 03:00 PM

**Venue:** Seminar Hall, School of Engineering, RK University, Kasturba Dham, Bhavnagar Highway, Rajkot

**Targeted Audience & Participants:** Students 215+

### **Brief Description of the Event:**

RK University recently hosted a groundbreaking event, "Physiopath: Forging New Ventures in Physiotherapy," aimed at fostering entrepreneurial thinking among students within the realm of physiotherapy. The event served as a platform for students to showcase their innovative solutions to real-world challenges in physiotherapy, demonstrating the potential for entrepreneurial ventures in the field. Discover the entrepreneurial side of physiotherapy and ignite your passion for innovation in healthcare.

Explore startup opportunities, hear from successful entrepreneurs, and connect with like-minded individuals. One of the key takeaways from the event was the realization that entrepreneurial thinking is not limited to traditional business ventures but can also be applied to healthcare and allied fields. Students were inspired to think outside the box and explore innovative ways to improve patient care, enhance rehabilitation techniques, and revolutionize the physiotherapy landscape.

Moreover, "Physiopath" served as a catalyst for collaboration and networking, bringing together students, faculty, and industry professionals to exchange ideas and forge partnerships. The event provided a platform for aspiring entrepreneurs to connect with mentors and investors, laying the foundation for future ventures in physiotherapy and allied healthcare sectors.

Throughout the event, participants demonstrated remarkable creativity in addressing various issues within the realm of physiotherapy. From devising cutting-edge rehabilitation techniques to designing advanced equipment, students exhibited their entrepreneurial spirit by presenting practical solutions that could revolutionize the field.

### **Objective of Event:**

The event was designed to encourage creative thinking and problem-solving, challenging students to explore novel approaches to address issues in physiotherapy. Participants presented a diverse range of ideas, highlighting the ingenuity and resourcefulness of the next generation of physiotherapists. Students gained valuable insights into the entrepreneurial process, from identifying market opportunities to developing sustainable business models. They learned how to leverage their expertise in physiotherapy to create viable ventures that not only address societal needs but also have the potential for significant impact.

### **Outcome of Event:**

Overall, "Physiopath: Forging New Ventures in Physiotherapy" was a resounding success, empowering students to embrace entrepreneurial thinking and pursue innovative solutions to the challenges facing the field of physiotherapy. It not only showcased the creativity and talent of the participants but also underscored RK University's commitment to fostering entrepreneurship and innovation in healthcare education. From devising cutting-edge rehabilitation techniques to designing advanced equipment, students exhibited their entrepreneurial spirit by presenting practical solutions that could revolutionize the field. By empowering students to explore innovative solutions and providing them with the necessary tools and resources, RK University aims to nurture the next generation of healthcare entrepreneurs.
