

## Government Science College Limkheda

### SSIP Awareness Program JAN-FEB-2024

#### SSIP Unit

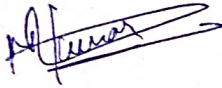

In order to sensitize the college students about the Student Start up & Innovation Policy SSIP-2.0, a SSIP Awareness Program was organized at Government Science College, Limkheda on 15/02/2024.

Assit. Professor Dr Bijoy N Roy Government Science College Zalod Institute SSIP Coordinator delivered a talk about the importance, benefit and usefulness of the Policy. He also talked about how Innovation and startups are integral components of the modern business landscape, driving economic growth, technological advancements, and societal progress. The journey of innovation and startups, from ideation to scaling, highlighting key stages, challenges, and strategies for success. Mr. Bijoy Roy's talk at our college provided invaluable insights into the journey of innovation and startups. Drawing from his extensive experience as a successful entrepreneur and industry expert, Mr. Roy shared profound wisdom and practical advice for aspiring entrepreneurs. This report encapsulates the key highlights of his talk, including the stages of the start up journey, challenges faced, and strategies for success, offering actionable insights for students and building entrepreneurs.

Innovation and entrepreneurship are vital drivers of economic growth and societal progress. Mr. Bijoy Roy enlightening talk at our college, shedding light on the intricacies of the innovation journey and the dynamics of launching a startup. His insights resonate deeply with our mission to foster a culture of innovation and empower the next generation of entrepreneurs in our college.

The event was thoroughly supported by College Principal and all the college faculties. Total 26 students of College attended the awareness program were sensitized about "Journey on Innovation & Start ups". Students were asked to observe around their neighbourhood, identify an existing problem and an idea to solve the problem.

They were also informed about the various websites and upcoming events related to SSIP and innovation planned at various levels.
