(06-03-2024)

Celebration of

“International Women’s Day”

Organizes Training on

“Preservation Technology of fruits & vegetables for formalization of food industry in Dahod”

In association with Deputy Director, Horticulture - Dahod

A training program on ‘Preservation Technology of fruits & vegetables for formalization of food industry in Dahod’ was organized on 06-03-2024 from 12.00 pm to 3.30 pm by Women Development Cell in association with Deputy Director, Horticulture Department – Dahod and in collaboration with IIC & SSIP 2.0 Cell of Government Engineering College, Dahod. The event was attended by 87 students and 17 faculties of various branches from Government Engineering College, Dahod.

The event was inaugurated by Dr P. B. Tailor, Invited guest Smt. Hemaben Sheth, Trustee – Bhagini Samaj Dahod, Shri Himanshu Parikh – Deputy Director, Horticulture Department, Dahod, Dr. P. M. Baria, Coordinator WDC, IIC president Dr. D.B. Jani and other faculties present. Dr. P. B. Tailor has welcomed all the dignitaries, faculties and the participants and introduced various activities carried out at GEC – Dahod. Dr. P. M. Baria has talked about importance of Women’s Day and explained the need and contents of the training program. Smt. Hemaben Sheth has then shared her experiences as a social worker in and around Dahod. Shri Himanshu Parikh has explained the working of horticulture department in developing various employments in the field of food and its preservation and the opportunities available in and around Dahod. The Vote of thanks has been presented by Prof. M. M. Parmar and the session was concluded with the National Anthem.

The next session was on demonstration and hands-on training on preservation techniques for vegetables and fruits. The session was handled Pankajbhai – Instructor – Horticulture department and Priyeshbhai – Officer – Horticulture department. The students and the faculties have actively participated and asked the questions also. The speaker has inculcated the curiosity of the participants by his deep insights of the subject matter. Tea and refreshments were arranged after the completion of the sessions.
