A Report on
"GIT Alumni Awareness Program"
(06th May 2023)

Event Overview:

The GITAA Awareness Program on "Awareness Program on Lifetime Alumni Membership by GITAA" was organized on 30th March 2022 at Gandhinagar Institute of Technology by GITAA Cell. The session was organized for all branches final year students with the permission of Dr K.N. SHETH, Director - GIT & Vice-Chancellor – Gandhinagar University. The seminar was organized to motivate and educate the participants about GITAA introduction, various activities of GITAA and procedure for joining GIT Alumni Association.

Objective:

The main objective of the Alumni Awareness Program is to organize interactions of final year students with faculty coordinators so that the students get aware about the activities of the Gandhinagar Institute of Technology Alumni Association (GITAA), benefits of alumni networking and motivate them for active participation for the overall development of the students as well as the institute. It also provides to knowledge & awareness to the students about the vibrant GITAA community where one can stay connected and strengthen bond with alma matter and grow social and professional network for various opportunities. Also, by means of this session students got the process how to join the lifetime member in GITAA.

Activities during the event:

Under the banner of Gandhinagar Institute of Technology Alumni Association (GITAA), GITAA coordinator Prof. Manthan Upadhyay (ME) and all department coordinators Prof. Shradha Prajapati (CE & IT), Prof Maulik Sukhadiya (ME), Prof Megha Desai (EC), Prof Pooja Patanwal (CL), Prof Hitesh Manani (EE) and Dr. Nehal Shah (MBA) had conducted an interactive session with the final year students of respective department. The session was held on 06-05-2023, 10:00 AM at University auditorium for all department students for bringing awareness about various initiatives taken by GITAA like alumni talks where they can get inspired from the success story of alumni, expert session to guide the students about recent market trends and technological advancements in the industry, social and professional networking for giving life a broader meaning, alumni meet where they can know more about earlier batches and get connected with them etc. The students were motivated to take maximum benefit from the experiences of invited alumni during various activities held at GIT. The students were explained about the long-term benefits of joining GITAA and how it

can enhance their network to find better job opportunities in India as well as abroad. Many students actively participated in the session and enthusiastically joined GITAA for collaborating in the success path of GIT.

Outcomes of the event:

The Alumni Awareness Program motivated the students for enhancing their network and get guidance from alumni experts in different domains and learn about skills required by the industry through participating in the GITAA activities.

Feedback from students:

I am very thankful to the GITAA for inviting me for awareness program at GIT. I came to understand the importance of GITAA networking & its long-term benefits.

During this session we were given the overview about all the advantages one could get by becoming a Member of GITAA. Along with this we were explained about the steps to become a GITAA member. It was a great and knowledgeable program where we got to know about all the major exclusive benefits of obtaining GITAA Membership like Developing Professional connections, Organizing and attending various Event at GIT, Knowledge and resources sharing and many more. So after attending this program I believe that GITAA is a great platform to make a huge network by connecting with a lot of people and to stay connected with GIT.
