

**Gandhinagar University**  
A Report on  
Expert Talk on  
“Blockchain Technology”  
(September 30, 2023)

**Event Overview:**

Gandhinagar University, managed by Platinum Foundation, organized an expert talk on "Blockchain Technology" on September 30, 2023 under the **GUIDE lecture series**. The talk was coordinated by Dr. Nimisha Patel (HOD, CE-IT) under the direction of Dr. K. N. Sheth (Vice Chancellor, Gandhinagar University). The session was delivered by Mr. Pratik Jain, who is a serial entrepreneur with more than 15 years of comprehensive experience in the IT industry. Currently, he is a director at GlobalVox, headquartered in the USA.

**Objective:**

Blockchain Technology is still in its early stages, and there is a great deal of room for understanding the fundamentals of Blockchain. This session can be a unique opportunity for the students and faculties to understand cutting-edge technology and how the industry is utilizing it. This type of session provides a chance to learn about recent advancements in technology, understand market trends, and network with other business professionals.

**Program Overview:**

On September 30, 2023, the session began with welcoming Mr. Pratik Jain by Dr. Karik Jain (Registrar, Gandhinagar University) and the expert's introduction. In this session, Mr. Pratik Jain explained Blockchain Technology and how it is beneficial for society in terms of data privacy and secure transactions. He talked about the recent developments in this field and various projects he has handled using Blockchain. He also discussed career options for students who want to build their careers in the Blockchain domain. During the session, the expert answered the questions of the students. Total 200+ students have attended the session. At last, the session ended with thanking the expert for his time and impressive session.
