IN ASSOCIATION WITH

GTU Innovation & Start-Up Center (GISC) Surat facilitated an enlightening session focusing on the crucial topics of How to plan for Start-up and legal & Ethical Steps on April 19, 2024, from 3:00 PM to 5:00 PM. This event served as a platform for participants to gain valuable insights into navigating the legal landscape of entrepreneurship and protecting their innovative ideas.

Event goal:

The event aims to educate participants on How to plan for Start-up and legal & Ethical Steps, empowering them with essential knowledge to navigate legal complexities and protect their innovative assets.

About Guest Speaker:

Mr. Mohin Patel

Mr. Mohin Patel, a Registered Patent Agent (IN/PA - 4277) and distinguished IP Professional, brings a wealth of expertise to the entrepreneurial realm. As the Co-founder of 3DP Connect, he stands at the forefront of innovation, leveraging his deep understanding of intellectual property (IP) to drive technological advancement and business growth.

Start-Up Pathshala, orchestrated by the GTU Innovation & Start-Up Center (GISC), unfolds as a captivating journey comprised of seven dynamic stops, each laden with invaluable insights and pivotal lessons. Amidst the voyage, budding entrepreneurs delve into multifaceted aspects crucial for their ventures' success. Among these essential stops, two particularly significant checkpoints are the exploration of How to plan for Start-up and legal & Ethical Steps

How to plan for Startup

Navigating the legal landscape is paramount for budding entrepreneurs embarking on their startup journey. At this pivotal stop, participants gain a comprehensive understanding of the legal framework surrounding startup operations. They delve into foundational concepts such as business structure, regulatory compliance, contractual obligations, and liability management. Through interactive sessions and expert guidance, they navigate the intricacies of company formation, understanding the pros and cons of different legal entities such as sole proprietorships, partnerships, limited liability companies (LLCs), and corporations. Moreover, they grasp the significance of adhering to industry-specific regulations and legal requirements, ensuring seamless and compliant business operations.

Legal and Ethical Steps:

In today's knowledge-driven economy, safeguarding intellectual property (IP) assets is imperative for startups to secure their competitive advantage and foster innovation. The stop dedicated to Intellectual Property Rights (IPR) equips participants with the knowledge and tools to protect their creations, innovations, and brand identity. Through engaging workshops and case studies, entrepreneurs gain insights into various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets. They learn the significance of conducting thorough IP audits, identifying and mitigating potential infringement risks, and leveraging IP assets to enhance business value and attract investment.

Moreover, participants explore strategies for drafting robust IP protection strategies, including the importance of timely registration and enforcement mechanisms. By cultivating a deep understanding of IPR fundamentals, budding entrepreneurs are empowered to navigate the competitive landscape with confidence, leveraging their intellectual capital to drive growth and differentiation.

In essence, the stops dedicated to How to plan for Start-up and legal & Ethical Steps within the Start-Up Pathshala curriculum serve as pivotal milestones in the entrepreneurial journey. By equipping participants with essential legal knowledge and strategies for IP protection, GISC empowers aspiring entrepreneurs to navigate the complex terrain of business with clarity, confidence, and resilience, laying a solid foundation for sustainable success and innovation in the startup ecosystem.
