Venue

GTU Innovation and startup center Vadodara , Gujarat.

About GIC:

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing inter-action for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem. Through the efforts for creating culture of innovation and entrepreneurship in 8 years, an aura of developing the ecosystem across the state was conceptualized. The pilot projects and efforts have ideated many policies which have helped to change and shape up innovation and entrepreneurial mind-set of students. GIC is pioneering more than 12 initiatives in 8 sectors of the council.

GTU Innovation Council provide support to Innovators for various grant along with Networking with Mentors, Strategies for market Traction and other allied support to scale up the Start-ups.

About the Event:

On June 19, 2024, the GTU Innovation and Startup Center Vadodara hosted an enlightening "Pitch It Right" session. Twenty startup teams participated, engaging in discussions and learning how to pitch their ideas effectively. The session provided a platform for detailed discussions, allowing participants to delve into the nuances of pitching. Expert insights were shared, which significantly boosted the participants' pitching skills and overall chances of startup success. The session was designed to prepare these teams for the next camp, equipping them with essential tools and confidence. By the end of the event, the startup teams had a better understanding of how to present their ideas compellingly, setting the stage for their advancement in the startup ecosystem. The session was a significant step in empowering these teams, helping them refine their pitches and strategies for future success.
