Report of the Activity

Hack this Fall Hackathon

Date: 09/02/2024 - 11/02/2024

Venue: Karnavati University Campus

Time: - 09:00 AM to 09:00 PM

Number of Participants: - 540

Karnavati Innovation and Incubation Foundation – KIIF at Karnavati University along with Hack This Fall Association, IIC and SSIP organized 36 hours in person hackathon for the students.

The event was aimed to enhance the problem solving skills of the students. More than 500 students have participated who were divided into teams.

The event also hosted workshops from Orkes, Vonage and Github as well which helped the participants to understand more about the aspects of coding and helped them to solve the problem better.

There were expert sessions as well for the students as below:

- Designing for Diversity - Varsha Saha
- Level Up Your Projects by Building in Public – Yash Gupta
- Molding a Gem: Future of Education with AI - Shihan Embuldeniya
- Learning, Sharing & Building in Public to Skyrocket your Career - Sheetal Jain
- Building AR experiences with Meta Spark - Mrunank Pawar
- Intro to FlutterFire -Ayush Bherwani
- Defining Success at Hackathons beyond Prizes - Sneha Mishra & Nazeeh Vohra

Mentorship rounds and submission checkpoints through industry personnel proved to be advantageous for the participants. It was a great opportunity for participants to network with other like-minded individuals and make connections that can help advance their careers or projects.

Participants were also given prize money to recognize their innovative business ideas.
