SSIP 2.0 Awareness Program Organized for B.Tech. (IInd Year Students)

SSIP 2.0 cell of Adani University has organized Student Startup and Innovation Policy (SSIP 2.0) awareness program for B.Tech. IInd Year students. This program's purpose was to educate students about Adani University's entrepreneurship and innovation culture, as well as the possibilities, tools, and resources available to them. Dr. Jignesh (Coordinator, SSIP 2.0) has encouraged students to explore entrepreneurship as a career. Furthermore, Duro Green Startup's founder, Mr. Nishank Shah, talked about his startup experience and the options available to young people today.
