

**Event Name:** Sensitization Program with Swaminarayan University

**Date:** 15-04-2024

**Venue:** i-Hub

**Organiser:** i-Hub

**About the event:** iHub conducted a Sensitization Program for 25 students from Swaminarayan University, exposing them to the dynamic world of startups. The program aimed to inspire and ignite young minds, offering them a glimpse into innovative ventures and entrepreneurial endeavors. Beyond mere inspiration, this initiative serves as a launchpad for the next generation of changemakers, empowering them to tackle challenges and contribute to building a brighter future.

**Panellists/Participants attending the event:** The participants of the event included:

1. 25 students from Swaminarayan University, representing both medical and engineering streams.
2. Organizers and representatives from iHub who facilitated the Sensitization Program.

**Summary of the event:** The event, organized by iHub, engaged students from Swaminarayan University, spanning both medical and engineering disciplines, in a Sensitization Program aimed at exposing them to the world of startups. Beyond providing mere inspiration, the program served as a launchpad for the students, shaping their mindset and skills to become future changemakers. Facilitated by iHub representatives, the event offered participants a valuable glimpse into the innovative landscape of startups, equipping them to tackle challenges and contribute meaningfully to shaping a better future.
